

# 2011 Fire Mechanic's Workshop

September 12-16, 2011

Welcome to the 31st annual Fire Mechanics Workshop. If you thought last year's conference was great, you should see this one. You can expect to meet and see some of the most renowned professionals in the industry. Along with the most advanced education and training you will be able to network with technicians throughout the country. The Vendor Show will be housed completely indoors this year. We are anticipating to have over 75 vendors. See you in September!
